

DEOLINDO BAPTISTA

Frontend Web Developer

ABOUT ME

Web development enthusiast with a foundation in management and a recent graduate as a Full Stack Web Developer. With a solid background in React, Sass, Figma, and GitHub, I am seeking to leverage my skills in a dynamic and innovative tech startup focused on remote and hybrid work environments.

Aiming to use my excellent communication, time management, and management skills to effectively collaborate with a distributed team and deliver high-quality web solutions.
